

**HILLTOP PLACE**  
**CLUSTER SIX CONDOMINIUM DECLARATION**

by Hilltop Place Trust

This Declaration is made this 30<sup>th</sup> day of August, 1977, by John R. Hardie, Kenneth P. Wilson and Richard J. Weed, all of Concord, County of Merrimack and The State of New Hampshire, trustees of the Hilltop Place Trust, having a mailing address of 27 North State Street, Concord, New Hampshire, 03301, (sometimes hereinafter called the “Declarant”), for the purpose of submitting certain property to condominium and ownership in accordance with the provisions of the New Hampshire Unit Ownership of Real Property.

WHEREAS the said Trust owns a certain tract of land generally located north-westerly of County Road in New London, New Hampshire, on which it has constructed, or hereafter will construct, a condominium project known as “Hilltop Place Cluster Six,” together with certain other improvements, and whereas the said Trust intends to sell and convey condominiums in said Cluster Six subject to certain mutually beneficial restrictions, covenants, conditions, equitable servitudes and charges which it desires to impose thereon under a general plan of improvement of said Cluster Six for the benefit of all of said condominiums and the future owners thereof;

NOW THEREFORE, the Declarant hereby declares that all of the premises described in Appendix A hereto including all of the condominiums and other improvements located and to be located thereon are held and shall be held, conveyed encumbered, leased, used, occupied and improved subject to the following restrictions, covenants, conditions, uses, limitations and obligations, all of which are declared and agreed to be in furtherance of a general plan for Cluster Six and for the improvement of the aforesaid premises and the division of said premises into condominiums; and said restrictions, covenants, conditions, uses, limitations and obligations are intended to enhance and protect the value and desirability of Cluster Six as a whole and to mutually benefit each of the condominiums located therein, and to create mutual equitable servitudes upon each of said condominiums in favor of each and all other condominiums therein, to create reciprocal rights and privity of contract and estate between all persons acquiring or owning an interest in any of said condominiums, including the Declarant, and their guarantes, heirs, devisees, successors and assigns, and shall be deemed to run with the land and be a burden and benefit to all such persons, including Declarant, their grantees, heirs, devisees, successors and assigns.

(b) Description of Buildings. There are seven (7) residential buildings in Cluster Six containing a total of twenty-three (23) units. All buildings are of wood frame construction set upon concrete foundations. They are one, one and a half, and two stories high, with no basements. The roofs are covered with asphalt shingles, and the exterior walls with vertically-marked plywood siding. The interior walls are of plasterboard, and the floors are largely carpeted. Additional detail concerning the buildings is set forth in Appendix B to this Declaration, which is hereby made a part hereof.

(c) Description of the Units. The unit number of each Unit, and a statement of its location, approximate area, number of rooms and value is contained in Appendix B hereto, which is hereby made a part hereof. Each Unit has access to a patio or balcony and each unit has access to a covered front entry, a garage and storage areas for trash and wood, some of which are contained within the garage, all of which are Limited common Area. The boundaries of each Unit with respect to floors, ceilings, and the walls, doors and windows thereof as are follows:

(i) Floors: The unfinished interior surface of the lowermost floor.

(ii) Ceilings: The unfinished interior surface of the uppermost ceiling.

(iii) Perimeter walls and door frames: The unfinished interior surface thereof.

(iv) Windows and doors: As to doors, the unfinished exterior surface thereof; and as to windows and window frames, the exterior surface of the glass and the unfinished exterior surface of the window frames.

Each Unit shall include the portions of the building within said boundaries and the space enclosed by said boundaries, except any Common Area described in Paragraph 2(d) here-in below which may be located therein.

(d) Description of Common Area. The Common Area includes, but not by way of limitation: (i) the land on which the buildings containing the Units are located, the walks, shrubbery, plantings and other landscaping and exterior decoration, parking areas and other land and interests in land included in the description of Cluster Six in Appendix A hereto; (ii) the water supply, sewage disposal, electrical and telephone systems serving Cluster Six to the extent said systems are located within Cluster Six (but not including any portions thereof contained within the servicing of a single Unit); (iii) the roofs, foundations, slabs, columns and supports of said buildings; the perimeter walls around each Unit to the unfinished interior surfaces thereof and other walls which are not within a Unit; (iv) the exterior stairs, walkways, stairway landings, corridors, lobbies and halls which are not within a Unit; (v) the pipes, ducts, fireplace flues, chutes, conduits, plumbing, wires, meters, meter housings and other facilities for the furnishing of utility services or waste removal, which are not located within a Unit and any such pipes, ducts, fireplace flues, chutes, conduits, plumbing, wires, meters, meter housings and other facilities, which are located within a Unit but serve parts of Cluster Six other than the Unit in which they are located; (vi) all other parts of Cluster Six including personal property, if any, necessary or convenient to its existence, maintenance and safety, or normally in common use, and including any other easements set forth in Appendix A hereto.

(e) Description of Limited Common Area. The Limited Common Area includes that portion of the Common Area consisting of separate garage areas, covered front entries and separate storage areas for wood and for trash some of which are located within the garage, all of which are in each case designated as appurtenant to a particular Unit and so identified on the Hilltop Place Cluster Six floor plans which are recorded in Merrimack County Records pursuant to RSA 479-A:12, and also includes certain patios, balconies and attic storage space, all of which are identified and designated as appurtenant to specific numbered Units in Cluster Six as set forth in Appendix B. All such Limited Common Area is limited to the exclusive use of the Owner or Owners of the Unit or Units to which it is appurtenant.

(f) Unit Values and Relative Percentages. The value of each Condominium and of Cluster Six and the percentage of undivided interest in Common Area appertaining to each Condominium in Cluster Six for voting purposes in connection with meetings of the Cluster Six Association, a number of votes which is equal to the aforementioned percentage.

Where a particular Condominium is owned by more than one person, said Owners may

not divide the number of votes appertaining to their Condominium, but must cast said number of votes as a whole. Assessments of Common Expenses by the Cluster Six Association against the Owners, pursuant to the Declaration and Bylaws, shall be allocated to the Owners according to the aforementioned percentages.

(g) Statement of Purposes of Condominium Use. Hilltop Place Custer Six is primarily intended for use as a residential community and the following provision, together with the provisions of the Condominium Rules, are in promotion of this purpose. (As Amended 23 September 1992 Book 1894 Page 1646 and As Amended 17 July 2007 Book 3004 Page 1126/27)

(1) Each Unit shall be occupied and used only for private residential purposes by the Owner and his family, or by lessees or guests of the Owner, except for such limited professional use as the Board upon application of the Owner, from time to time may authorize as not being incompatible with the residential character of Cluster Six. This restriction shall not be construed to prohibit Owners from leasing their condominiums so long as the lessees thereof occupy and use the leased premises in accordance with the provisions hereof. No Owner or Owners of any Unit shall permit the use of the Unit for transient, hotel or commercial purposes.

(2) The Common Area and Limited Common Area shall not be used in a manner which is inconsistent with the residential character of Cluster Six. No one shall obstruct, commit any waste in, or otherwise cause any damage beyond reasonable wear and tear to, the Common Area and anyone causing such damage shall pay the expenses incurred by the Board in repairing same; and nothing shall be stored in the Common Area without the prior written consent of the Cluster Six Board, except in storage areas appurtenant to the particular Units, as provided in Paragraph 2(e) hereinabove. Nothing shall be altered, constructed in or removed from the Common Area without the prior written consent of the Board.

(3) No noxious or offensive use shall be made of any part of Cluster Six and nothing shall be done therein which is or will become an annoyance or nuisance to the other Owners. No use shall be made of any part of Cluster Six which will constitute a fire hazard or which will result in the cancellation of insurance on any part of Cluster Six or which is in violation of any law, ordinance or governmental regulation applicable thereto. No use shall be made of any part of Cluster Six which will increase the rate of insurance on the Common Area without prior written consent of the Board.

(4) No signs, clothes line, television antennas, refuse, air conditioning equipment, loose clothing or similar material or equipment shall be hung, posted or otherwise placed so as to be within the public view or within the view of other Owners, without the prior written consent of the Board.

(5) No animals, livestock or poultry shall be kept anywhere within Cluster Six except that dogs, cats or other household pets may be kept in Units, with the prior written consent of the Board, which consent may be withdrawn whenever any such household pet becomes a nuisance to the other Owners, and which consent shall be subject to the Condominium Rules.

(6) The Board of Directors is empowered to adopt and amend, from time to time, Condominium Rules concerning use of Cluster Six and various parts thereof, which Rules shall be furnished in writing to all Owners and shall not be violated.

(7) The consents of the Board referred to in this Paragraph (g), except as specified in subparagraph (6) may be withdrawn by the Board whenever it deems such withdrawal to be in the best interest of Cluster Six.

(h) Delegation of Powers, Duties and Administrative and Managerial Functions.

All of the powers, duties, and administrative and managerial functions of the Board of Directors and the Treasurer as set forth in Article II, Section 7, Article IV, Section 4 and Article V, Section 3 of these Bylaws and in Paragraphs 2(g) and 7 of the Declaration are hereby delegated to the Hilltop Place Community Association. All of the functions, powers, rights and prerogatives of the Board of Directors and of the Owners not specifically set forth in the sections listed in the preceding sentence shall continue to be exercised by the Board of Directors and the Owners as provided in the Declaration and these Bylaws. (As Amended 17 July 2007 Book 3004 Page 1127)

(i) Person to Receive Service of Process. Any member of the Board of Directors whose residence is at Cluster Six shall be an agent to receive service of process in accordance with the Act. (As Amended 21 November 1979 Book 1362 Page 012)

(j) Vote to Rebuild. In the event of damage or destruction of all or part of Cluster Six, the provisions as to the percentage of votes by the Owners which shall be determinative of whether to rebuild, repair, restore or sell Cluster Six are set forth in Paragraph 3 herein below.

3. Insurance and Voting in the Event of Damage or Destruction.

(a) Insurance to be Obtained. The Cluster Six Board of Directors shall obtain and maintain, to the extent obtainable, the following insurance:

(i) Fire insurance with extended coverage, vandalism and malicious mischief endorsements insuring all the buildings in Cluster Six including without limitations all such portions of the interior of such buildings as are for insurance purposes normally deemed to constitute part of the building and customarily covered by such insurance, such as heating and air conditioning and other service machinery, interior walls, all

finished wall surfaces, bathroom and kitchen cabinets and fixtures, and heating and lighting fixtures, except for improvements made by individual Owners which exceed a total value of One Thousand Dollars (\$1,000.00) and are not reported to the insurer, such insurance to be in an amount at least equal to the replacement value of the buildings and to be payable to the Cluster Six Board as trustee for the Owners and their mortgagees as their respective interests may appear.

For the purposes of this Declaration and term “full replacement value” and “replacement value” shall mean One Million Four Hundred Eighty Four Thousand Thirty Nine Dollars (\$1,484,039) provided, however, that said amount shall be adjusted annually starting in fiscal year 1984 by the percentage increase or decrease in local building costs determined by reference to the Marshall Swift Company-National Appraisal Service Factor, or if said Marshall Swift Company-National Appraisal Service Factor is no longer published, as determined by preference to a similar index of local building costs which is generally accepted by the property insurance industry; and provided further that the insurance company providing the amount of property coverage required hereunder shall execute an “Agreed Amount” endorsement to the Cluster’s insurance policy which requires said company to pay One Hundred (100) percent of the actual replacement cost for any loss with respect to one or more of the Cluster’s buildings up to at least the full replacement value as defined hereinabove. (Amended 20 June 1984 Book 1486 Page 0639)

(ii) Public liability insurance in such amounts as the Board may from time to time determine, but in no event shall the limits of liability be less than two hundred fifty thousand dollars (\$250,000.00) for bodily injury and property damage per occurrence, insuring each member of the Board and the Owners, and with cross liability coverage with respect to liability claims of any one insured thereunder against any other insured thereunder. This insurance, however, shall not insure against the individual liability of an Owner for negligence occurring within his own Unit or within the Limited Common Area of which he has exclusive use.

(iii) Workmen’s compensation as required by law.

(iv) Such other insurances as the Board may determine.

(b) General Insurance Provisions.

(i) The Board shall deal with the insurer or insurance agent in connection with the adjusting of all claims covered by insurance policies provided for under Paragraph 3 (a) above and shall review with the insurer or insurance agent, at least annually, the coverage under said policies, said review to include an appraisal of improvements within Cluster Six and shall make any necessary changes in the policy

provided for under paragraph 3(a) (i) above (prior to the expiration date set forth in any agreed amount endorsement contained in said policy) in order to meet the coverage requirements of such Paragraph.

(ii) The Board shall be required to make every effort to see that all policies of physical damage insurance provided for under Paragraph 3 (a) above:

(1) shall contain waivers of subrogation by the insurer as to claims against the Association, its employees, members of the Board, Owners and members of the family of any Owner who reside with said Owner, except in cases of arson and fraud;

(2) shall contain a waiver of defense of invalidity on account of the conduct of any of the Owners over which the Association has “no control”;

(3) shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days written notice to all of the insureds thereunder and all mortgagees of Condominiums in Cluster Six;

(4) shall provide that in no event shall the insurance under said policies be brought into contribution with insurance purchased individually by Owners or their mortgagees; and

(5) shall exclude policies obtained by individual Owners from consideration under any “no other insurance” clause.

(iii) Each Owner may obtain additional insurance for his own benefit and at his own expense. No such policy shall be written so as to decrease the coverage under any of the policies obtained by the Board pursuant to Paragraph 3 (a) above, and each Owner hereby assigns to the Cluster Six Board the proceeds of any such policy to the extent that any such policy does in fact result in a decrease in such coverage, said proceeds to be applied pursuant to the terms hereof as if produced by such coverage. Copies of all such policies (except policies covering only personal property, owned or supplied by individual Owners) shall be filed with the Association.

(iv) Each Owner should obtain insurance for his own benefit and at his own expense insuring all personal property presently or hereafter located in his Unit or Limited Common Area, all floor coverings whether or not fixtures, and all improvements to his Unit which exceed a total value of One Thousand Dollars (\$1,000.00) and which are not reported to the Board.

(v) Each Owner, within twenty (20) days after the commencement of

construction of such improvements, shall notify the Board of all improvements to his Unit (except personal property other than fixtures) which exceed a total value of One Thousand Dollars (\$1,000.00) and upon receipt of such notice, the Board shall notify the insurer under any policy obtained pursuant to Paragraph 3 (a) (i) hereof, of any such improvements.

(c) Procedure in the Event of Damage or Destruction. In the event of damage to or destruction of all or part of Cluster Six as a result of fire or other casualty:

(i) The Board shall arrange for the prompt repair and restoration of the damaged or destroyed portion of Cluster Six and the Board shall disburse any insurance proceeds to the contractors engaged in such repair and restoration in appropriate progress payments, unless Cluster Six is damaged or destroyed to the extent of 75% or more of the total replacement value of the buildings of Cluster Six and the Cluster Six Association by a vote of 75% of the Owners' total voting power does not, within sixty (60) days of the date of such damage or destruction, determine to repair, reconstruct or rebuild the damaged or destroyed property. Any cost of such repair and restoration in excess of the said insurance proceeds shall constitute a Common Expense and the Board may assess all the Owners for such excess in the same manner as Common Expenses are assessed. If the cost of such repair and restoration is less than the amount of said insurance proceeds, then the excess of said insurance proceeds over said cost shall be added to Cluster Six's reserve for contingencies and replacements or, in the discretion of the Board, be distributed by the Board to the Owners and their mortgagees, as their interests may appear, in accordance with the percentages set forth in Appendix B hereto. (In the event that Cluster Six is damaged or destroyed to the extent of less than 75% of said value, unless the Owners by a vote of 75% of their total voting power determine otherwise in accordance with Paragraph 3 (c) (iii) hereof, the mere arrangement by the Board for the repair and restoration of the damaged or destroyed property shall be deemed a determination by the Association to repair, reconstruct and rebuild.)

(ii) If Cluster Six is damaged or destroyed to the extent of 75% or more of the total replacement value of all the buildings in Cluster Six, and the Association of Owners' total voting power does not, within sixty (60) days of the date of such damage or destruction, determine to repair, reconstruct or rebuild, or, if Cluster Six is damaged or destroyed to the extent of less than 75% of said value and the Owners by a vote of 75% of their total voting power elect to sell Cluster Six then the Board shall record at the Merrimack County Registry of Deeds a notice to that effect and upon the filing of said notice Cluster Six shall be deemed to be owned in common by the individual Owners, each owning an undivided interest equal to the percentage set forth in Appendix B hereto, and any liens on any Condominium being deemed to be transferred to the undivided interest of the Owner of said encumbered Condominium in accordance with the then-existing priorities; and upon the recording of said notice the said property shall be

subject to a petition by any Owner to the Board for its sale and for partition of the net proceeds of such sale. In the event of such a petition, Cluster Six shall be sold, as a whole or in parts and at one or more sales, upon such terms and conditions as the Board in its sole discretion deems in the best interest of the Owners and the net proceeds of such sale or sales together with the net proceeds of insurance on said property, if any, shall be considered as one fund and shall be divided by the Board among all the Owners in proportion to their respective undivided interests in said property, after first paying out of the share of each Owner, to the extent sufficient for that purpose, the amount of any unpaid liens on his undivided interest in the order of the priority of such liens.

(iii) Notwithstanding the provisions of subparagraphs (i) and (ii) hereinabove, the Owners by a vote of 75% of their total voting power may elect to sell Cluster Six in its damaged condition, in which event a notice shall be filed in accordance with the provisions of subparagraph (ii) said notice to have the same legal effect as set forth in subparagraph (ii). In the event of any sale or sales, either under said subparagraph (ii) or this subparagraph, the members of the Board are hereby authorized to execute and deliver such instruments and to perform such acts as may be necessary or required to effect such sale or sales.

4. Extent of Ownership and Possession by Owner. Subject to the provisions of this Declaration each Owner shall be entitled to exclusive ownership and possession of his Unit. No Owner shall be deemed to own the undecorated and/or unfinished surfaces of the perimeter walls, floor, door frames and ceiling, bounding his Unit, nor any Common Area located with his Unit, except as a tenant in common with the other Owners. An Owner, however, shall be deemed to own and shall have the exclusive right, at his own expense, to paint, repaint, tile, wax, paper or otherwise refinish and decorate the finished surfaces of the perimeter walls, floors, ceilings, door frames and window frames bounding his Unit. No Owners shall be deemed to own the utilities running through his Unit which are utilized for, or service, more than one Unit, except as a tenant in common with the other Owners.

Each Owner shall own an undivided interest in the Common area in the percentage expressed in Appendix B hereto. No such percentage shall be altered without the consent of all Owners in accordance with the Act, as amended from time to time, and no such interest shall be separated from the Unit to which it appertains, it being deemed to be conveyed or encumbered with the Unit even though it is not expressly mentioned or described in the instrument of conveyance or encumbrance. Subject to the provisions of this Declaration, each Owner may use the Common Area, excepting Limited Common Area, in accordance with the purposes for which it is intended, so long as he does not hinder or encroach upon the lawful rights of the other Owners or otherwise violate the provisions hereof or of any Condominium Rules adopted pursuant to said provisions.

Subject to the provisions of this Declaration, each Owner shall be entitled to the exclusive use of the Limited Common Area appurtenant to his Unit. The exclusive use of the Limited Common Area shall not be altered without the consent of the Owners expressed in an amended Declaration duly recorded and, without the unanimous consent, shall not be separated from the Unit to which it is appurtenant, it being deemed to be conveyed or encumbered with the Unit even though it is not expressly mentioned or described in the instrument of conveyance or encumbrance.

5. Owner's Obligation to Repair. Each Owner shall at his own expense keep his Unit and its equipment and appurtenances in good order, condition, and repair and in a clean and sanitary condition, and shall do all redecorating, painting, and refinishing which may at any time be necessary to maintain the good appearance and condition of his Unit. In addition to redecorating and keeping the interior of the Unit in good repair, each Owner shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, water heater, heating equipment or lighting fixtures and other property which are not Common Area, and which are located in his Unit. Each Owner shall immediately notify the Cluster Six Board or its agent of any damage to or malfunction of any facilities for the furnishing of utility services and waste removal which is Common Area within his Unit. Each Owner shall also, at his own expense keep the Limited Common Area appurtenant to his Unit in a clean and sanitary condition, and shall make all repairs of damage thereto caused or permitted by him, reasonable wear and tear excepted. In the event an Owner fails to make such repairs after thirty (30) days written notice of the need for same is given to him by the Board, the Board may enter and make such repairs, the expense of which shall be borne by said owner. No Owner shall permit any repair or other work in his Unit, or the Limited Common Area appurtenant to his Unit, by anyone unless any such person or entity has furnished written evidence that it has obtained reasonably adequate public liability and workmen's compensation insurance in form and amount which are satisfactory to the Board, and unless such repair or other work is performed in compliance with all governmental laws, ordinances, rules and regulations.

6. Prohibition Against Structural Changes by Owner. No Owner shall without first satisfying the requirements regarding repair or other work set forth in Paragraph 5 above and, in addition, obtaining written consent of the Board:

(i) make or permit to be made any structural alteration, structural improvement or structural addition in or to his Unit or in or to any other part of Cluster Six;

(ii) tamper with any bearing wall or take any other action or permit any action to be taken that will impair the structural soundness or integrity or safety of any building or other structure in Cluster Six;

(iii) impair any easement or right or personal property which is part of Cluster Six; or

(iv) paint, decorate or adorn with decorative or functional objects any portion of the exterior of any building or other structure in Cluster Six or any Common Area therein.

7. Entry for Repairs. The Association shall have the irrevocable right, to be reasonably exercised by the Cluster Six Board or its agents, to enter any Unit to inspect the same, to remove therefrom violations of this Declaration, the Bylaws or the Condominium Rules adopted pursuant hereto, and in order to perform any repair, maintenance or construction for which the Board is responsible and shall have the irrevocable right, to be reasonably exercised by the Board or its agents, or by any two or more Owners acting as a group, to enter any Unit for the purpose of making emergency repairs necessary to prevent damage to other parts of Cluster Six. Such entry shall be made with as little inconvenience to the Owner as practicable, and any damage caused thereby or expense in connection therewith shall be repaired or satisfied by the Board out of the Common Expense fund unless such emergency repairs are necessitated by the negligence of one or more Owners in which case the negligent Owner or Owners shall bear the expense of such repairs.

8. Notice of Transfer. Immediately after any transfer of any Condominium, by sale, lease, gift, devise, intestate succession, death of a joint tenant, or otherwise, either the transferring Owner or the acquiring Owner shall give notice to the Board of such transfer, including the name and address of the acquiring Owner and the date of transfer.

9. Assessments. Each Owner shall pay all Common Expenses assessed against him, all expenses for which he is liable under Paragraphs 2 (g) (3), 5, and 7 hereof, and all other assessments made against him by the Board in accordance with the terms of the Declaration and Bylaws and all expenses so incurred and sums so assessed but unpaid shall be secured by a lien as provided in Section 22 of the Act. No Owner shall convey, mortgage, sell or lease his Condominium unless and until he shall have paid in full to the Board all such expenses theretofore incurred and sums theretofore assessed by the Board against his Condominium, which are due and unpaid. Within ten (10) days after receiving an appropriate request and payment of a reasonable fee, if required, not to exceed Ten Dollars (\$10.00), the Board shall supply a certificate executed by any one of its members stating the amount of any assessments secured by a lien against any particular Condominium in accordance with the Act, the Declaration and Bylaws, and the amount thereof which is then due, and the amounts so stated shall be conclusively established as of such date, in favor of all persons who rely thereon in good faith, as against the Association. Any Owner of a Condominium shall be liable, jointly with the prior Owner, for the payment of any such expenses or assessments against said Condominium prior to its acquisition, by purchase or otherwise, by him which are unpaid as of the time of the said acquisition, whether or not such expenses or assessments are then due, except that a first mortgagee or other purchaser at the foreclosure sale of a first mortgage lien or at a sale in lieu of such foreclosure, and a purchaser from a first mortgagee who purchases at such a foreclosure sale or such a sale in lieu of foreclosure, shall not be liable for the payment of expenses or assessments unpaid and due as of the time of his acquisition but shall be liable for unpaid

expenses and assessments becoming due thereafter.

The lien for unpaid Common Expenses or other expenses or assessments shall be subordinate to any first mortgage lien of record and to certain tax liens as provided in Section 22 of the Act.

10. Condemnation. In the event of taking in condemnation or by eminent domain of part or all of the Common Area, the award made for such taking shall be payable to the Board. If the Association by vote of 75% or more of the Owners' total voting power, within sixty (60) days of such taking, approves the repair and restoration of such Common Area in whatever manner said Owners may determine, the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Association does not so approve the repair and restoration of such Common Area, the Board shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is not repair or restoration of the damage, as provided in Paragraph 3 (c) (ii) hereof; provided, however, that the portion of any award attributable to the taking of any Limited Common Area shall be allocated to the Owner of the Unit to which such Limited Common Area was appurtenant.

11. Waiver. The failure of the Board or its agents to insist, in any instance, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration or of the Bylaws, or to exercise any right herein or therein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment for the future, of such term, covenant, condition, restriction or right, but such term, covenant, condition, or restriction or right shall remain in full force and effect. The receipt by the Board of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by the Board or its agents of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board.

12. Liability of the Board. The members of the Cluster Six Board shall not be liable to the Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith and except as provided hereinbelow. The Owners shall indemnify and hold harmless each of the members of the Board against all contractual liability to others arising out of contracts made by the Board in behalf of Cluster Six unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or of the Bylaws. It is permissible for the members of the Board to contract with the Declarant without fear of being charged with self-dealing. It is intended that the members of the Board shall have no personal liability, other than as Owners, with respect to any contract made by them in behalf of Cluster Six except with respect to any such contract made in bad faith or contrary to the provisions of the Declaration or of the Bylaws. It is also intended that the personal liability of each Owner arising out of any contract made by the Board or out of the aforesaid indemnity in favor of the members of the Board shall be limited to such proportion of the total liability

thereunder as his interest in the Common Area bears to the interests of all the Owners in the Common Area (except that the personal liability of Owners who are members of the Board and who contract in bad faith or contrary to the provisions of the Declaration or of the Bylaws shall not be so limited). The provisions of this Paragraph 12 do not apply to and shall not preclude claims for property damage and personal injury by Owners against the Board or any other insured under the liability insurance required by Paragraph 3 (a) (ii).

13. Enforcement. Each Owner shall comply strictly with the provisions of this Declaration, the Bylaws and the Condominium Rules as the same may be lawfully amended from time to time and with decisions adopted pursuant to said Declaration, Bylaws and Condominium Rules, and failure to comply shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board in behalf of the Owners, or in a proper case, by an aggrieved Owner.

14. Personal Property.
